

# MELCHOR ENRIQUE GÓNGORA MARTÍNEZ

## About me

I am a technology administrator professional from Tecnológico de Monterrey College. Currently I am studying a Master in Enterprise Innovation and I am co-founder and work as a consultant at mentorempresarial.com in where I help businesses to achieve a more competitive model with a technology approach on their operative, strategic and administrative tasks. I love teaching and currently have 1 or 2 subjects each semester at the Tecnológico de Monterrey system in where I have worked over 19 different subjects, taught +1200 people and 10 years of loyalty. I practice mountain biking and I am a big fan of ski.
